## JOURNAL

## OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 28 September 1971

1. (Confidential - JMM) Called Miss Ward, in the office of Senator John Stennis, to say that the Director and Laotian Defense Minister Sisouk would like to meet with the Senator Wednesday, Thursday or Friday morning, or if this was not possible, Wednesday afternoon. I said the Director had another commitment Thursday afternoon and would be out of town Friday afternoon. She said she would check with the Senator and call us back.

2. (Confidential - JMM) Called Russ Blandford, Chief Counsel, House Armed Services Committee, to alert him to the story in this afternoon's Washington Star quoting Representative Paul McCloskey's statement that CIA was hiring mercenaries for Laos at \$1000 a week. I told Blandford this was absurd nonsense. He said there was little the Committee could or would do for us, and we would either have to speak up in our own defense, get somebody in the Administration--perhaps the President himself--to do so, or learn to live with it.

5. (Secret - JGO) Met with Frank Slatinshek, House Armed Services Committee staff, who told me he will be tied up much of the remainder of the week on a report he is preparing for the Committee.
